# PUMPKIN HILL

**MARCH 28, 2009 • NOON - 6 PM**

**JOIN THE**

Rotary Club  
of North Jacksonville

## KAYAKING - NATURE WALK - BIKING

# FISH FRY

- Bring your bikes, kayaks and/or walking shoes and spend the day exploring all the city, state and Federal parks in Pumpkin Hill.
- Walk or bicycle through two connecting properties on Clapboard Creek and Bogey Creek: 67 acres of mostly uplands known as Bugtussle, and 15 acres off Sheffield Rd. that North Florida Land Trust is working to preserve.
- Learn why conserving these lands protects the water quality in North Florida and preserves habitat for native plants and animals.
- If you don't have a kayak, Kayak Adventures and the Sierra Club will be giving demonstrations throughout the day.
- While you're at Pumpkin Hill, be sure and join us for the Rotary Club of North Jacksonville's Fish Fry at Bugtussle 3-6 pm to benefit the North Florida Land Trust. \$10 adult/\$5 kids under 10 in advance or \$15/\$8 day of event. Purchase your tickets today by calling 827-9870 or go to: [www.northfloridalandtrust.org](http://www.northfloridalandtrust.org).

**ACTIVITIES  
FREE OF CHARGE**
